

Directions to EcoTec Systems Ltd (ETS)

If you have Sat Nav and are confident follow it to the Bruntingthorpe Industrial Estate. Note there are two industrial estates around Bruntingthorpe Airfield. Our post code should get you to the right one (it is off Mere Road). Once you get to the industrial estate follow the map of the estate below, we are the furthest building from the entrance.

If you don't have Sat Nav, then we suggest the following route:

Drive to M1.

Exit M1 at Junction 20 (Lutterworth) and take the exit of the roundabout onto the A4304 sign posted for Market Harborough.

After about a mile go straight through Walcote village staying on the main road.

After 2-3 miles you will see a signpost and traffic islands in the middle of the road with a turning on the right to Kilworth House Hotel and Theatre, continue on the main road past this turning. The road climbs up to a blind summit, just after the summit you need to take the left hand turn into Kilworth Road.

Continue down Kilworth Road for about 2 miles, the road bears sharply left follow the road round to the left. Stay on the road for about a mile until you reach a "T" junction.

Turn right at the "T" junction onto Kimcote Road. Stay on this road which will bring you to Walton Village.

Continue through the village on the main road.

As you leave the village take the sharp turn to the left (slightly back on yourself) onto Mere Road.

Continue down Mere Road it is fairly straight for about a mile. At this point the road bends 90 degrees to the right – DO NOT follow the road round, instead go straight ahead into Bruntingthorpe industrial estate. Consult the map below for our exact location on the industrial estate.
